Request for Presentation on the Groundwater Program

N. M. Hutchins  
Environmental Restoration Management  
EG&G, Rocky Flats, Inc.

Department of Energy/Rocky Flats Office (DOE/RFO) requests a briefing by appropriate personnel from your groundwater program staff (or their subcontractors) to provide DOE/RFO with information on the conditions under which state well permits may, or may not be required at Rocky Flats Plant. If possible, the briefing should include a discussion of any water rights issues which might impact the groundwater monitoring program. Please schedule the meeting to take place before September 10, 1993.

If you have any questions, please contact me at extension 5915.
